

FORSYTH COUNTY

BOARD OF COMMISSIONERS

MEETING DATE: MARCH 4, 2021

AGENDA ITEM NUMBER: 7

**SUBJECT: RESOLUTION AWARDING A CONTRACT FOR CHILLER REPLACEMENT AT
PIEDMONT PROPULSION SYSTEMS (AIRPORT DEPARTMENT)**

COUNTY MANAGER'S RECOMMENDATION OR COMMENTS: Recommend Approval

SUMMARY OF INFORMATION:

Forsyth County is responsible for the HVAC system located at 4400 Lansing Boulevard which is leased by Piedmont Propulsion Systems. This project will replace the existing water-cooled chillers, chilled water pumps, condenser water pumps, and cooling towers with a new 300-ton air-cooled chiller and variable frequency drive chilled water pumps. New electrical circuiting will be installed for all new HVAC equipment and controls for chiller and pump operation will be compatible with the existing building automation system. The project will require a crane to be set up which will be coordinated with the Airport Department to ensure safe operations.

Bid alternate additions were included if funds allowed. Alternate #1 is to replace the chilled water expansion tank and air separator and Alternate #2 is to replace the hot water control valves on four air handler units.

After due advertisement, bids were received by City/County Purchasing on February 11, 2021, with the summary of bids as follows:

	<u>Base Bid</u>	<u>Alternate #1</u>	<u>Alternate #2</u>	<u>Total Bid</u>
Superior Mechanical Services, Inc.	\$478,000	\$ 7,500	\$17,000	\$502,500
Professional Air Systems, LLC	\$505,500	\$12,625	\$16,650	\$534,775
Boiler Masters, Incorporated	\$514,000	\$10,500	\$24,000	\$548,500
AC Corporation	\$583,809	\$11,605	\$10,710	\$606,124
Mechanical Maintenance, Inc.	\$607,495	\$ 5,560	\$37,621	\$650,676
Stanley Heating & Air Conditioning, Inc.	\$700,500	\$16,800	\$18,300	\$735,600

The lowest total bid is within the funds available for project budget of \$507,952. Therefore, staff recommends acceptance of both alternates.

The project was bid as a formal purchase with installation, as the equipment cost is greater than the labor, and other trades work is limited. Therefore, M/WBE subcontracting goals were not applied to the project. One of the bidders, Mechanical Maintenance, Inc., is a certified woman-owned business.

SUMMARY OF INFORMATION: continued

It is recommended by the County Manager, General Services Director, and the City/County Purchasing Director that the contract for the Chiller Replacement at Piedmont Propulsion Systems project in the base bid plus alternates #1 and #2 amount not to exceed \$502,500 be awarded to Superior Mechanical Services, Inc.

It is further recommended that that the County Manager be authorized to sign change orders up to an amount not to exceed \$50,000 upon written agreement with the contractor and the surety on the bond specifying the additional or different work undertaken.
