### North Carolina 4-H Volunteer Standards Of Behavior

Families and other youth-serving organizations place trust in North Carolina Cooperative Extension to provide quality leadership and care for participants in 4-H programs. The opportunity to work with youth is a privileged position of trust that should only be held by those who are willing to commit to upholding behavior that fulfills this trust. For these reasons, the following behavior guidelines are provided for volunteers working in the North Carolina Cooperative Extension 4-H program.

- 1. Treat others in a courteous, respectful manner demonstrating behaviors appropriate for a positive role model for youth.
- 2. Obey the laws of the locality, state and nation.
- 3. Make all reasonable efforts to assure that 4-H youth programs are accessible to youth without regard to race, color, national origin, religion, sex, age, disability or political affiliation, and promote a spirit of positive participation.
- 4. Recognize that verbal and/or physical abuse and/or neglect of youth is unacceptable in 4-H youth programs, and report suspected abuse to 4-H officials and the proper authorities.
- 5. Do not participate in or condone neglect or abuse that happens outside the program to 4-H youth participants, and report suspected abuse to the proper authorities.
- 6. Operate motor vehicles (including machines or equipment) in a safe and reliable manner and only with a valid operator's license and the legally required insurance coverage.
- 7. Inform county 4-H staff of any arrests or charges of criminal activity against you. (Temporary suspension pending resolution of the case may be required.)
- 8. Notify Extension staff promptly of any incident that may violate 4-H policies or personal rights.
- 9. Do not require 4-H participants to purchase materials, supplies, equipment, animals or services from any specific vendor.
- 10. Teach 4-H youth to provide appropriate animal care and treat animals humanely.
- 11. Do not consume alcohol or illegal substances while responsible for youth in 4-H activities nor allow 4-H youth participants under supervision to do so.
- 12. Accept supervision and support from county, district, and state 4-H staff while involved in the 4-H program.
